Dear Sir:

The references listed in the attached Information Disclosure Statement by Applicant may be material to examination of the above-identified patent application. Copies of the references were previously submitted on December 18, 2007 in CD formats ("Previously-Submitted References"). Applicants would like to provide additional citations to some of the contents in the CDs. To assist review, Applicants have also included again the reference corresponding to each of the additional citations but in a pdf format.

Applicants submit these references in compliance with their duty of disclosure pursuant to 37 CFR §§1.56 and 1.97. Applicants are not certain whether the Examiner has made the Previously-Submitted References of official record in this application. The Examiner is requested to at least make the references listed in the attached Information Disclosure Statement by Applicant of official record in this application.

This Information Disclosure Transmittal with the attached Information Disclosure Statement by Applicant are not to be construed as a representation that a search has been

made, that additional information material to the examination of this application does not exist, or that these references indeed constitute prior art.

Accordingly, it is believed that no fees are due in connection with the filing of this Information Disclosure Transmittal. However, if it is determined that any fees are due, the Commissioner is hereby authorized to charge such fees to Deposit Account 50-0727 (Order No. 170 Cont2).

Respectfully submitted,  
/Peter P. Tong/
